Sample Price Lists

The FTC staff provides these sample price lists to help you to understand the Funeral Rule's requirements. You do not have to adopt these sample price lists. They are only examples. In addition, the fact that the FTC staff has developed these price lists does not mean that this format is the only appropriate one. A variety of formats will satisfy the Rule's requirements.

Please read the information in the footnotes. It explains how you can modify the GPL to fit different situations.
